Subject: RE: Google Vault

That's going to make it difficult because I'm not always sure what I am looking for until I comb through the emails.

Yeah, but it's different this time. Mr. Hill said that I had to turn off access to Google Vault for everyone except me. So you have you any searches, they have to go through me again. I'm not excited about it either.

Mr. Steer,

I lost access to the Vault again.

Thank you,
Scott Moore
